

# QUOTE: DIY WEDDING PACKAGE - VIRTUAL

The DIY Wedding Package is designed as an affordable alternative to in-person coordination for the day of the wedding. This package provides:

- Professional coordination of wedding vendors, scheduling, and important details
- Planning Timeline: Milestones for the Bride & Groom, and their VIPs
- Wedding Timeline: Includes a multi-day schedule including the rehearsal and Day Of Wedding timing details. Examples include vendor arrivals and decor set up, cake cutting, special dances, important entrances and more!

*Please note: This package does not include rehearsal or day of in person support.*
